

The Formative Group NVQ4 Spectator Safety Management Course Next Course Starts 3rd August 2020

The course is being run at The Formative Groups Head Office in
Westbury Wiltshire

The aim of the three day course is to get learners up to speed quickly covering all processes and procedures so they can not only achieve their qualification in a shorter period of time but also know how to plan an event safely.

The course is being run by active Safety Officers who will cover all current best practices and go through actual real life scenarios

For further information please mail enquiries@theformativegroup.co.uk or lan.reed@theformativegroup.co.uk

The Course Includes

- Safe capacity calculations
- Plan an event—including risk assessments and Operation planning
- Understand current legislation, regulations and Guidelines
- Contingency Planning
- Table top exercise
